## **USEFUL INFORMATION:**

- \* Can I apply for asylum in France as an LGBT + refugee Click here
- \* How can I prove that I am a homosexual or transgender or queer? Click here
- \* Associations that will help you to be recognized by the OFPRA (national agency for the examination of the asylum seekers cases) Click here
- \* How to write my story for OFPRA (crescendo beginning, then detailed explanation, and a final culmination):
  - 1. Childhood, the discovery of homosexuality.
  - 2. Difficulties with family and friends.
  - 3. Adulthood and first love; same-sex partners etc.
  - 4. LGBT + community in your country and in France: proof of membership (FB screenshots etc.)
  - 5. Problems encountered in the country; the inability to return home
  - 6. Put only the essential information (2 pages maximum recommended)
  - 7. Recall after each point why you are in danger if you return home

## **FAQ** - other information:

- \* If you choose to marry or establishe a PCS with your partner, and if this procedure is successful, you will have to go back to your home country to ask for a marital visa (in some countries this procedure is dangerous ...)
- \* We can put you in touch with (gay-friendly) doctors, psychologists, lawyers who will support you in a suitable way in your asylum demand. Contact Us
- \* You can have (for free) French courses, legal assistance, universal medical aid and free medical consultations. Contact Us
- \* How to obtain legal aid, social worker, the right to work in France (if the procedure lasts more than 9 months), as asylum seekers? Contact Us

Monthly meeting at the Institut CALEM (Marseille, address sent by email: <a href="mailto:info@calem.eu">mailto:info@calem.eu</a> - 0667466406). Group discussions, counseling; we may provide you with a recommendation to add to your file. All asylum seekers and potential volunteers are welcome.

## NB - last update after consultation of the members of our network on Saturday 30/09/2017. The objectives of the various actors working in this field in Marseille were described as follows:

- 1. Visibility and coordination of volunteer activities
- 2. Be more effective in supporting and advising LGBT+ asylum seekers & refugees
- 3. Promote their rights and the dangerous contexts to which they may be confronted
- 4. To eventually assist in the creation of an French official association (law 1901) based in Marseille, to manage this type of projects
  - 5. Manage homo / transphobic aggression in <u>CADA</u> (petitions), LGBT + accelerated procedures, etc.
  - 6. Organize training workshops for professionals, volunteers and asylum seekers
  - 7. Assist with the state benefit (asylum seekers) or RSA (refugees)
- 8. Assist with proofreading of stories written with official asylum platforms (crescendo, dangers, dates), before the OFPRA interview, and verify that the translation provided is of a good standard
- 9. Working with local, regional and European associations (Russia, Caucasus, Maghreb, Sub-Saharan Africa) through various mediums (assistance, cultural events, prevention, etc.)
